VP600 COLOUR LABEL PRINTER

FLEXIBLE AND EFFICIENT LABEL PRINTER

ON DEMAND PRINTING

What does the VP600 do?

The VP600 is engineered for high performance yet is efficient and economical. It is a must have printer for businesses with high pre-printed label costs and is perfect for limited spaces. Whats more is that the VP600 offers high speed printing up to 12m/min without compromising on quality; 1600 x 1600 dpi.

Why choose an LPS printer?

Liberty Packaging Systems is one of the UK's leading suppliers of printing and packaging equipment. As well as having a dedicated team of knowledgeable experts to offer advice and bespoke solutions to suit all your packaging needs, we have a well-trained customer support team and highly skilled team of field-based engineers to support you after your purchase. This reliable and efficient after-care support service is provided to ensure you get the most out of your purchase. We also offer a comprehensive range of technical support and service packages that cover both equipment and software. Our maintenance packages are an economical way to maximise performance and the longevity of your machine, ensuring peace of mind operation of your production requirements.
